

MEA-MFT Strategic Objectives

Adopted - April 1, 2016 – MEA-MFT Representative Assembly

- Free, quality, public education for all Montanans.
- Effective government and public service programs.
- A quality, affordable public university system.
- Competitive salaries, benefits, and retirement security through collective bargaining, contract maintenance, and political action.
- Professional standards through proper licensure and endorsement as well as quality professional development.
- A prepared, educated, empowered, and productive workforce.
- A culturally diverse workforce.
- Membership growth through effective recruiting, organizing, and training, while providing essential services and programs.
- Identification, development and retention of effective leaders.
- Public health and safety.
- Effective relationships with community-based organizations that share common values.
- Political candidates who support our values.
